From the Principal ……………………

Little School Final Assembly
Thank you to the many parents who attended our final assembly at the little school on Monday. Our students presented some fantastic items celebrating their time at the Little School, and some of its history.
Students are now eagerly looking forward to the move into the new classrooms next term.

Secondary Sports Presentation Evening
Our sports evening last Thursday was very well attended by students and parents, who gathered to recognise the achievements of teams and individuals in winter sports rosters. Students also took the opportunity to thank their coaches, officials and parents for their efforts in supporting our sports program. Best and Fairest, and the Coaches Award presentations were made for each team. (See page 6). Thanks Mr Hays for organising a great night.

Chaplaincy Dinner
Around 80 people attended our annual fundraising dinner in support of our Chaplaincy Program. The night was a great success, helping to raise funds towards the employment of our Chaplain, Pam McCulloch. The program is a partnership between the Federal Government which funds two days per week, our school which funds one day per week, and our community which funds one day per week. Our guest speaker, Peter Shirley, gave an inspirational talk about making a difference for young people's lives and the important role of School Chaplains for all schools.

Literacy and Numeracy Week
Thank you to the parents who attended our Book week Assembly, our Open Primary Classrooms and the Grade 9/10 Childs Rights Expo. The Grade 9/10 students have been studying Children's Rights in their Society and History lessons, and through the Expo raised $546 to support children in Cambodia. Printed over the page is a very well written letter from Brendon Tuck, which explains the project.

MALCOLM MOORE
PRINCIPAL
9/10 Child Rights Expo

The Grade 9/10s from Sheffield School held a “Child Rights Expo” on Wednesday 25th August. We have been learning about Child Rights around the world and part of our studies has led us to want to make a change. Products that we made were on sale in the hope of raising funds to support Louise Ellings’ work in Cambodia. We chose this as our charity because Louise came to our school as a guest speaker, we were truly moved by her first hand experiences of the abuses of human rights and we all decided that we would like to contribute to the amazing work that Louise Ellings does in various villages in Cambodia. Thank you for your support, we raised an amazing $572.00.

Thank you

Each year our students are offered the opportunity to participate in a variety of winter sports rosters. This only occurs because many people are prepared to give up their own time to coach, umpire, score, time keep and support our school teams.

On behalf of the Sheffield School Health and Wellbeing department I would like to take this opportunity to thank all of those people who have assisted in 2010 to make our winter sports session so successful.

In particular I would like to thank both the Railton and Sheffield Football Clubs who have supported our teams over the season, as well as sponsoring the 7/8 and 9/10 Football Best and Fairest Awards.

I would also like to thank all of the parents for their ongoing support towards sport at Sheffield School.

Tony Hays

## Donations Appreciated

As you begin the process of spring cleaning wardrobes, please consider donating to Kinder. We are seeking costumes, dresses, skirts, accessories like handbags, necklaces, shoes, umbrellas, etc for our dress ups collection. We would also greatly appreciate any outgrown school uniform items in sizes 4 or 6.

## Sports Tops

As the winter sporting season has drawn to a close, I would ask all parents to ensure their child’s sporting top/s has been returned to school.
Book Week Assembly

Last Tuesday we celebrated National Literacy / Numeracy Week and Book Week with our annual Book Week Assembly. The assembly commenced with the book character parade with many students K-10 dressing up as their favourite book character and parading their costumes to the appreciative audience. Thank you to all parents for contributing to the success of our parade through organising/making the fantastic costumes!

The assembly provided a great opportunity to showcase the literacy and numeracy work of students across the school. A number of classes showed their work on stage whilst other student work was the feature of a number of video presentations. Students from each class were also recognised for their achievements in literacy and numeracy.

Thank you to all students, staff and parents that contributed to a successful assembly.

Any parent wishing to receive the newsletter by email please notify the office staff of your email address or email sheffield@education.tas.gov.au
**SRC Meeting**

On the 17th of August all of the SRC students gathered in the grade 8 rooms for a meeting for our first 3-10 meeting.

The aim of the meeting was to gain a variety of different opinions on some of the issues in the school such as: bullying, school pride, littering and the arrival of the students from the little school. There were six groups which consisted of one or two grade 10 SRC leaders and a mixture of SRC leaders from other grades. We had a productive afternoon and everyone had a lot to say about the topics being discussed. Damien Collins from The Zone in Devonport was a guest speaker and spoke to us about what it means to be a leader and how we can not only be a leader in our school but also in society.

Mr Moore also spoke during the afternoon, saying that leadership roles are always changing and it takes confidence to be a good leader.

We had a survey that we completed within our groups, rating certain areas of the school that needed development. One of the areas that came up regularly was having school pride.

After a busy afternoon of discussing and planning, all SRC representatives were treated to a fantastic meal provided by Mrs Maddick’s catering class.

A big thank you to everyone who put in their time and effort to make the afternoon possible.

By Paige Freeman

**Inter-School Chess Championships**

Sheffield School sent a team of five grade six students to compete in the Interschool Chess Championships at Latrobe Primary. The team consisted of Inka Temam, Ty Scott, Joshua Steers, Leith Johnstone and Andrew Zuluaga. The competition was quite challenging with primary students occasionally playing against grade seven students. Our team was very successful, finishing third overall with a total of 17.5 points and earning themselves a bronze medal.

A further congratulations goes to Ty Scott and Andrew Zuluaga, who finished second and third respectively in the individual competition. Andrew and Ty both finished with a score of six out of a possible seven which earned them a high distinction in the competition. Overall the team had a great day and are looking forward to the next competition.
Secondary Sports Presentation Night

This year’s Sports Presentation Night was well attended by over 130 parents, students and staff. The aim of the night was to celebrate the successes of our sporting teams and the efforts made by coaches and parents throughout the season.

Every team was presented with two trophies that were decided upon by the respective team coaches. Recipients of these awards included the following.

On behalf of the school, I would like to thank all people involved with the organisation and running of secondary winter sports this year. In addition, a big thank you to all who contributed to making this night a successful celebration of secondary winter sport.

Tony Hays
AASC Program Term 3

Thankyou to all students who took up the opportunity to be involved in our term 2 AASC program, and particularly to Mrs Cook, Mr Hays, Mr Rundle, Mr Rodman, and Miss Scattergood who facilitated the sessions. I would also like to take this opportunity to thank Sheffield Fruit and Veg for their continued support of this program. The Active After-schools Communities (AASC) program for term 3 will commence on Monday 27th September (Cricket and Minor Games) and Wednesday 29th September (Tennis, Orienteering and Lawn Bowls).

- The program will operate from 3pm – 4.15pm and run for 9 weeks with the last sessions occurring during the week beginning 22nd November.
- Monday’s sessions will be a combination of Cricket and Minor Games. These sessions will be only open to children from grades 1-4.
- Wednesday’s sessions will be a combination of Tennis and Orienteering with the Lawn Bowls component occurring on a Tuesday. These sessions will be open to children from grades 2-6.
- Children not currently participating in sporting teams are strongly encouraged to participate and join the fun.
- Children will be provided with a healthy after school snack as well as a drink bottle.
- All sessions will be conducted by suitably qualified instructors endorsed by the AASC program.
- Provision will be made for inclement weather; sessions will be conducted indoors in the advent of wet weather.
- Students involved in the program will be supervised at all times and need to meet the supervisor in the assembly area outside the gym immediately after school at 3pm.

If your child/ren is interested in enrolling please complete the form below and return to the school office by Friday 24th September.

Please note: there will not be a confirmation slip sent home. Unless notified otherwise you can assume that your child/ren has been accepted into the chosen activity.

If you have any queries regarding the AASC program please don’t hesitate to contact me through the school office.

Tony Hays
AASC Program School Coordinator

AASC Program - Term 3 2010

I would like to enrol my child/ren into the indicated activities.
