From the Principal ........................

Dear Parents,

All of our Prep to Grade 10 students attended a Sports Forum on Wednesday of this week, featuring a panel of guests who have made great achievements in sport. Included in the panel were:

Students
- Maddisson Lockett (netball)
- Madalan Page (athletics, basketball & cattle handling)

Ex Students
- Brodie Deverall (football)
- Craig Boutcher (cricket and football)
- Nathan Freshney (Football and personal trainer)

Other guests
- Mike Gunson (athletics coach and sports event manager)
- Macey Stewart (cycling)
- Vera Keddie (sports coach)
- Tim Blair (distance running and fundraising)
- Emma Eustace (athletics)

All of our guests spoke wonderfully of their journey in sport, and although their stories were very different, there were common themes that impressed our students.

- Success comes with hard work, which often involves personal sacrifice
- Setting goals is extremely important
- Self belief is more important than other people's opinions
- All obstacles can be overcome
- Eating healthily is essential for success

And importantly, it is not always the most talented people that succeed, it is people with the highest motivation and willingness to learn.

If our students can take on some of these messages, they would be of great benefit in life generally, as well as their sporting life.

Thank you to all of our guests for making their time available, and also to Mayor Don Thwaites who compered the event.
Thank you also to Mrs Maddick and the Move Well Eat Well team who organised the event, building on their successful health promoting initiatives of the past two years.

On the subject of sporting achievements, there is another star on the horizon, with grade 3 student Lochlan Ford proving his talents in karate in a statewide tournament last month. We wish Lochlan well in the Tasmanian Titles in May.
