Dear Parents

PRESENTATION DAY
Our Presentation Assembly last Tuesday was very well supported by our federal and state politicians, Kentish Councillors, representatives from local organisations, parents and community members.

The local business community is extremely generous in its sponsorship of our school for which we are extremely thankful, and it was pleasing to see so many community members participate in the assembly by presenting awards.

The achievements of our students were celebrated in a photostory, my report, and in the presentation of awards. All in attendance appreciated the quality of achievements by our award winners. Well done to Demi Bird who won the Thomas Alexander Memorial Award for the best grade 10 results. Congratulations to all of our other award winners, listed over the page.

Our grade 10 students leave school today, each with a carefully prepared Transition Plan, outlining their goals for the future and pathway to achieving them. They have been a wonderful year group all the way through their 12 years at Sheffield, and in their final year have set exemplary standards for younger students to aspire to, and also demonstrated great leadership. This is particularly true of our grade 10 SRC students, who have had an excellent year of leadership development under Miss Dudley’s guidance.
Congratulations to our newly elected 2016 Grade 10 Student Representative Councillors.

To those parents of grade 10 students that now end their association with the school, thank you for your support over the years and for allowing us at the Sheffield School the privilege of being a part of shaping your child’s development to where they are today; terrific young citizens, equipped with knowledge, skills, and personal traits that will hold them in good stead in the years to come.

REPORTS

Reports were sent home with students last Thursday; all students have been assessed against the assessment standards of the Australian Curriculum in the core areas of learning. A reminder to parents that a C rating is the standard required for each grade, hard to achieve, but achievable for most students with consistent work and effort. The report also included a front cover page that includes attendance information for your child, the year group, and the school and state/sector average. I hope you find this information useful.

STAFFING 2016

We are farewelling a number of staff members at the end of the year.

Mr Norm Gregory will be taking long service leave in 2016, we wish him well during this period of leave.

Mr Dane Hardy will be leaving Sheffield to take up a substantial AST position at Devonport High School. Mr Hardy is certainly deserving of this appointment and we thank him for the contribution he has made to our school over the last two terms.

At this stage it is unlikely that Mrs Claire Kent will be at our Railton Campus next year, I would like to acknowledge her dedication to her students and the manner in which she has connected with families through our LiL program over the past two years.

Miss Ellen Parsons will be taking up a position at Mowbray Primary School for 2016, this is a good result for Miss Parsons from a travel perspective, as Miss Parsons has been travelling from Launceston to Sheffield for the past 3 years. Miss Parsons has been an integral member of the HPE team and will be sorely missed. We wish her well in her new position.

Mrs Elizabeth McCarthy, who prior to the amalgamation was the School Business Manager at the Railton Primary School will be relocating to East Ulverstone Primary School. Mrs McCarthy has been an integral part of the Sheffield School administration team over the past two years and has provided great support to staff over that period, both at the Railton Campus and at Sheffield. We will certainly miss her friendly face and warm disposition and wish her well in her new appointment.

Ms Karen Dowie, who has been teaching in the department for over 25 years, will be retiring at the end of the school year. Mrs Dowie has worked tirelessly since joining our staff in 2013 to provide the very best learning opportunities and experiences to the students in her care. Mrs Dowie’s commitment to preparing students to shine on the stage at the Devonport Eisteddfod over this period has been wonderful, and we certainly wish Mrs Dowie well in retirement and thank her for her dedication to her students and our school.

As a result of some of the above staffing movements there will be some changes in regard to class teacher allocations and teaching loads. There will also be some senior staff changes, all of this information will be confirmed in the first newsletter next year. I can however advise our school community that new staff joining us at Sheffield in 2016 will include Mr Terence Johnston, previously at Reece High School and Ms Mariya Bell, joining us from Ulverstone High School. We will also welcome back Ms Pearce and Mrs Bransden, returning from maternity leave.

Congratulations and thank you to all staff and students for a terrific year; have an enjoyable and safe holiday period and I look forward to the commencement of an exciting year ahead in 2016.

ATHLETICS CARNIVAL
A cool, windy day this year greeted participants for the annual Sheffield School athletics carnival. Staff and students were treated to excellent ground conditions and high level athletics action. In what would be the closest finish in Sheffield athletics history, the Roland team rallied to finally break Kentish’s streak of five consecutive carnival victories and win the carnival by a mere 13 points.

The final points tally was Roland (3715), Kentish (3702) and Don (3517). The staff versus students relay proved once again to be very popular, but for the fourth year running the staff were able to hold off the students for another comfortable win. First time runners Mr Hughes and Mr Allen combined very well with returning star Mrs Eustace who made an instant impact on the carnival with her explosive first leg. Congratulations must also go to both Zane Richardson and Danny Crack who set new records in various events.

The school’s Inter-High athletics team also competed exceptionally well at the annual NWSSSA athletics event. After a gruelling days competition the team finished second to eventual winners Wynyard High School. Students represented the school with great pride and enthusiasm, the willingness of many to fill in events and gain valuable points was paramount to the team’s success.

Stand out performers for the day were Ebony Sims, Madelyn Keen, Zane Richardson and Danny Crack.
